A PIECE OF OLD NEWSPAPER

Yellowed pages, faded ink draws a mystery mountain,
surrounded by endless sea.

STORYTELLER (V.O.)

(man's voice)

Once upon a time, in the middle
sea...

Several inks dropped onto the paper, forms a tiny little man,
he swims across the sea, puff hard. The little man looks
above... High, high in the sky

STORYTELLER

There is a mountain in the middle
sea, named Samsara.

The mountain is cut from the middle, and opens like a door,
the heaven, like a crowded market filled with ink little men,
and women.

STORYTELLER (V.O.)

It's the door to heaven, you can
meet the passed ones through the
door.

A little woman waits by the door, looking down... down...

STORYBROKER (V.O.)

Oh, sweet! She's waiting for him.

Down... till ... at the foot of the mountain, the little man
looking above...

STORYBROKER (V.O.)

(sissy voice)

How could he get there? The
mountain is so high.

STORYTELLER (V.O.)

Do you believe the mountain really
exist?

Their eyesight touches together, forms into two little man,
hugs together, ink spreading...

STORYBROKER (V.O.)

Of course not. Everyone knows story
beginning with ONCE UPON A TIME is
a fairy tale.

STORYTELLER (V.O.)

But some do believe the mountain is
there. In the middle sea.

The ink submerged the mountain, ink men running and
disappearing...

CUT TO:

ANOTHER PIECE OF PAPER

Picture of a woman.

NEWSPAPER READER

Archeologist Luna May suspects the
Samsara mountain do exist, and
might hides a magic power source.

STORYBROKER (V.O.)

There indeed are really stupid
people in the world!

NEWSPAPER READER

The government believes her, and
send an exploration team to the
mountain.

Another piece of paper drops onto screen, the exploration
team, with four man and a woman.

LUNA MAY, a beautiful woman in her thirties, leans on a man
in the middle.

The man in the middle is **FRAN SR**, handsome but has a scar
under his left eye. He looks older than Luna May, but still
energetic.

The queen blesses the team.

STORYBROKER (V.O.)

I beg they find nothing.

NEWSPAPER READER

No, they found something.

CUT TO:

ANOTHER PIECE OF PAPER

Picture of the team with obituary.

NEWSPAPER READER

It's said that the team reached the mountain...

STORYBROKER

Hopefully...

NEWSPAPER READER

The archeologist also builds a research site under the mountain, and find the magic stone...

STORYBROKER

We hope so...

NEWSPAPER READER

But...

Another piece of paper dropped onto screen. A large whirlpool, a mountain in the cloud, covered with snow.

Then...

One little man died in snowslide.

One little man died in disease.

One little man killed by primitives in a tribe.

ONE LITTLE WOMAN DISAPPEAR IN THE WHIRLPOOL.

NEWSPAPER READER (CONT'D)

The team is fall.

Fire on the paper.

NEWSPAPER READER (CONT'D)

The queen is mad, and berries the existence of the team.

STORYBROKER

Where is the leftover? There is a leftover! The scar man!

NEWSPAPER READER

The left little man is drawn in the past.

CUT TO:

INT. WORKSHOP - MORNING

Ship design maps scattering around. The skeleton of a ship with crooked hand-writing name LUNA MAY, which seems not so strong and not really pretty stands on the ground.

There is two large holes on the side of the ship, which seemed to be reserved for the wing.

FRAN. SR (50), muddy face, shaggy hair, sleeping on the ground. Near his is a green Absinthe bottle with only a bite of drink left.

FRAN SR
(dream talking...)
I gonna build the ship! I gonna
build the flying ship.
Wait for me, Luna May.

Suddenly, he gets up.

FRAN SR (CONT'D)
Hammer... Where is my hammer?

He seizes his eyes, looking outside the window

CUT TO:

EXT. BEACH OF BOKETTO HORBOR - DAY

Shinning sun. A kite is flying in the sky.

FRAN. JR (10) a little boy with dark skin and **GLINDA**, pretty girl of the same age are chasing the kite. Glinda opens her arms, like flying. She flies back to Fran JR. Fran JR's face is full of happiness.

GLINDA
How's the ship? Your dad's flying
ship?

Fran JR is absorbed in her smile.

GLINDA (CONT'D)
You promise to take me to the sky
with the ship.

YOUNG FRAN JR
(pulled back to reality)
Oh... Ship...
OMG. Dad...

A dark shadow covers them...

CUT TO:

EXT. BEACH OF BOKETTO HORBOR - CONTINUOUS

Fran SR. stands behind Glinda, staring at Fran JR.

FRAN SR
(shouts at Fran JR)
You BUM-BOY, I told you to buy a
hammer. And you end up here
flirting with a girl!

Glinda turns back to Fran SR.

FRAN SR (CONT'D)
Oh, you're really a pretty girl.

GLINDA
(shinning smile)
Hi, uncle Fran. How's your ship?
Can you take me to the sky when it
finished?

FRAN SR
(smiles kindly to Glinda)
Sure! We'll go together!
It's all done && all over.
(turns to Fran unkindly)
EXCEPT for a... HAMMER!

Fran SR stares Fran JR into his eye, Fran JR is shaking, then he grabs Glinda's hand, and runs as soon as possible.

YOUNG FRAN JR
I'm on the way to the market...
I'm on the way...

Glinda looks at their hands held together, she blushes.

CUT TO:

INT. BOATHOUSE - DARK DAY

Thunderstorm and heavy rain. We can't tell whether it's day or night. Tiny light from the boathouse is blinking in the heavy rain.

The ship is done, with wings. Like a puffer fish with a pair of crunch wings, but not seems to be very strong.

Fran SR. stands in front of the ship, takes a deep taste of the Absinthe, looks insanely excited.

FRAN SR
See, Luna May, the ship is done. I
can go find you!

Fran JR pops his head through a window near the wing. The wing shakes. Fran JR is kind of worried.

FRAN SR (CONT'D)
Come on boy! Let's fly!

Fran SR pounced onto the ship, Luna May shakes. A screw drops onto Fran JR's head.

YOUNG FRAN JR
Ouch!

The screw drops onto the ground.

YOUNG FRAN JR (CONT'D)
Dad...

Fran SR jumps onto the ship, about to start the engine.

FRAN SR
Weiigh~~ anchorrrrrr~~

Suddenly, Glinda pops up at the door, folding up her umbrella, her white dress gets dirty in the heavy rain.

GLINDA
(looks around the ship)
I heard the ship is finished?
Wow. That is a pretty puffer!

Then she sees Fran SR's euphoric face. Glinda is startled, takes a step behind.

GLINDA (CONT'D)
(takes a step behind)
Are you okay?

FRAN SR
Hey! Glinda! My cute little girl,
ready to go on a trip? We're going
to FLY~~~
(waves his arms)
to your aunt May.

GLINDA
Aunt May? The greatest archeologist
?!

Her eye shining.

GLINDA (CONT'D)
I read every word of he biography!

FRAN SR
Come on girl.

Fran SR drags Glinda onto the ship. Fran JR managed to turn his head to Fran SR in the narrow hole.

YOUNG FRAN JR
Dad... I say...

No one heard him.

YOUNG FRAN JR (CONT'D)
(shouting...)
Dad! Wait! A screw just become
loose and fell from somewhere.

Fran JR jumps off the ship.

WENG---WENG---WENG. Fran SR starts the engine. Glinda's face is full of hope.

FRAN JR
What?! Wait! Wait!
Stop him! Glinda!

Fran JR sees Glinda smiles like a flower, she high-fives with Fran SR.

GLINDA
Come on Fran, it's the first trip.

FRAN JR (V.O.)
Glinda...

FRAN SR
Weigh anchor!!!

GLINDA
Weigh anchor~~

FRAN JR
(staring at Glinda with
silly sweet smile...)
Weigh... anchor...

Wing of the puffer suddenly moved, hits Fran JR onto the ground.

CUT TO:

BLACK.

The noisy background is suddenly quite like death.

FRAN JR (V.O.)
I remember dad is insanelly happy,
like... like... squeezing all the
pains in his whole life into a
smile. So as Glinda...

Flickering...

FRAN JR (V.O.)
It's a thunder storming day, you
know. I can see the frightening
lighting, the thunder howling...
But nothing is frightening at all in
front of their shining smile.

Flickering... Silence...

FRAN JR (V.O.)
The last thing I could remember
is... the silly back of the puffer,
flying towards a shinning crack of
the shy.

CUT TO:

SHINING WHITE

A warm light raising...

FRAN JR (V.O.)
It's too shine, I blinked, I know I
shouldn't.
But the puffer just disappeared in
the light.

DISSOLVE TO:

EXT. BEACH - SUNRISING, 30 YEARS LATER

Fran JR (43) sits on the beach. He grabs a crab, talking

FRAN JR
How do you think about the story?

The crab waves his claws.

FRAN JR (CONT'D)
You don't like it?

The crab struggles to escape.

FRAN JR (CONT'D)
Alright, but it's a real story.

The crab runs away.

FRAN JR (CONT'D)
I think they're happy, they goes to
the mountain.

Sunrising... Fran stares at the sun, squinting his eye.

FRAN JR (CONT'D)
Time for work. I'll find another
listener tomorrow.

All of a sudden, the sweet but sorrow expression on his face
just disappears, the tiny light in his eye is off. Fran wears
back his poker face.

He gets up, beats off the sands on his tool bag. An old
hammer hides in the bag.

CUT TO:

EXT. GATE OF A LARGE DOCK YARD - MORNING

A giant sign upon the door, beautiful monograms says

ZIN'S DOCKYARD, THE BEST SHIP FACTORY EVER.

Upon the monograms, is a sketch of a noble woman with
dedicate sailing ship like haircut. She smiles like the
morning brume, gentle, full of floral fragrance.

The gate is locked, no one comes earlier than Fran.

Fran knocks the gate, looks towards the reception room.

The gate guard, **UNCLE JOE** in his early 70s, is alerted by the
knocking, he puts down his morning tea, walks trembling
through the reception room to the door.

The front wall of the reception room is lined with pictures
of ships with the sign of its designer. The title says

BEST SHIP OF THE YEAR.

Year 1, ship model 1, designed by FRAN.

Year 2, ship model 1, designed by FRAN.

Year ... Uncle Joe counting the pictures with the handle of his cane.

UNCLE JOE

Fran... Fran... Fran.

...

(uncle Joe smile with pleasant)

...

Not Fran.

(he stopped, looks closer to the picture)

Not Fran?

(he makes a tough step forward)

Still not Fran?

BANG - BANG - BANG -

Fran is smashing the gate. Finally Joe arrives at the gate.

JOE

What have you been doing these years? The wall is missing you for three years.

FRAN

THE SHIP! Uncle Joe, I've been answering you with the same answer for three years.

JOE

Never mind, you've been telling the same story to crabs for 30 years.

FRAN

Not the same crab.

JOE

(reaches closer to Fran, googling at him)

How's the ship? Can she fly?

Uncle Joe tries to wave his arms like flying. His old bone blaming.

FRAN

Soon.

Uncle Joe moves his toothless mouth,

JOE

You Zin is extremely interested in your flying ship.

Fran seems doesn't care about that.

JOE (CONT'D)
I mean he's kind of losing patience
waiting for you.

Fran looks up, the woman on the sign is still smiling

FRAN
Zin's dockyard...

Through the smile

DISSOLVE TO:

INT. ZIN'S LUXURY HOUSE - MORNING

An oil painting on the wall, the same woman as on the dockyard sign, with same gentle and fresh smile.

Opposite to the painting, **ZIN (40+)** raises his eyes, through a pair of goldrimmed spectacles, from his morning tea.

Sweet smile raises on Zin's fat face.

ZIN
(to the painting)
Morning, darling.

A small but delicate velvet box is on the table with a letter, from **DIEGO**. Zin opens the letter.

ZIN (CONT'D)
(reading the letter)
Dear Zin, my friend.
...
I was thinking about to find a new ship for my next trip, and I always know you're the best choice.
...
If everything goes well, I'll visit you in a couple of days.
...
Please send my regards to June, I prepared a little gift for her.

Zin opens the box, then he shuts the box with a glimpse.

ZIN (CONT'D)
Oh..my...

ZIN (CONT'D)
(running upstairs with
great joy)
June! June!

CUT TO:

EXT. DOCKYARD - MORNING

A young worker, JACK runs upstairs onto a big ship - TWILIGHT, winning ship of the year. He waves a newspaper, then he's stumbled over by his shoelace, almost fell

Jack looks at his colleges upon the ship,

JACK
Good news guys! The best traveler
in the world is gonna visit us in a
few days!

All workers stops their work and looks at him.

TOM (ANOTHER WORKER)
Are you serious?

JACK
(looks at the ship he
works on with proud)
Sure! I heard he's coming for a new
ship for his next trip! Who knows
which one he gonna love.

Workers are all excited, except for...

Fran, in the central of the crowded, he's still working on his flying boat, like he heard nothing.

The new flying boat, **Luna May**, is a whole metal ship. She's smaller and lighter with much more shallow draught. She still looks like a puffer fish, but she's a much delicate.

The wings is disappearing, instead, she has three big blades on head. She looks much more advanced than the other ships.

Jack walks onto Luna May, the blade just stopped. Fran takes out an melt metal from the engine.

JACK (CONT'D)
Hey, Fran, how's your little ship
going?

JACK (CONT'D)
(taps the blades with his
fingers)
You know, we all believe you're the
best ship builder here.
(patrols around Luna May)
But... seems she's still the ugly
duckling.

Fran looks up at Jack, then goes back to his work without a single word.

Jack notices Fran's old drill, kind of rusty. Then he pulls out an automatic drill from his back

JACK (CONT'D)
Look, Fran. This baby works 10x
faster than your old one.
Wanna try?

Fran ignores him, opens a notebook. It's quite an old notebook. The first pages has a name titled FRAN. SR. It's his father's notebook.

Fran turns to a page noted with

ENGINE.

A high temperature warning sign is marked on the engine. Near the sign, is a experiment sheet with all kinds of material names, and a red cross:

Iron : Melt (X)
Wood : Burnt (X)
Steel : Heavy (X)
...

Fran adds a line to the sheet. Then he walks to his storage room.

A shelf with all kinds of materials labeled with name, Fran add a red cross to the second last material as in the sheet.

Only one left without red cross is...
BLACK STONE.

Fran opens the drawer, but...

It's empty!

FRAN
(shouting to the workers)
Anyone see the BLACK STONE?

No one answers.

FRAN (CONT'D)

I say! Anyone touches my drawer?

WORKER

(looking at each other
trying to find the source
of the sound)

Who? Who's speaking?

Fran is quite embarrassed.

FRAN

Me! Fran! I'm speaking.

JACK

(can't stop laughing)
Hahaha. Don't be mad Fran, we're
just, not really familiar with your
voice. Seems you've been muted for
three years.
But... Crabs will always remember
you.
Hahaha...

FRAN

Did you see my stone?

JACK

Stone? No, what stone?

Fran turns over a bag near the shelf,

CLUNKING, CLUNKING... Metal components drops onto the ground.

CUT TO:

INT. JUNE'S ROOM - MORNING, DARK WITH THE CURTAIN CLOSED

Metal leftovers fall on the ground, near a pair of snow-white pretty feet.

JUNE (17) wearing her silk sleeping dress trimmed with white lace, is shaking a sack, till nothing comes out.

She takes a wing like small metal component from the ground, dancing to a wall lines with all kinds of weird cyberpunk style ship models.

June picks an old rusted ship model, trying to fit the component to her ships, as a wing.

JUNE
(reaching the piece to the
side of a ship)
No, the color doesn't match.
(moves to next)
Here? Nope.
(moves forward)
How about this? No, no no.

Suddenly, Zin's voice comes.

ZIN
(heavy breathing...)
June! June!

DONG DONG. DONG DONG DONG.

JUNE
Dad?
WHAT'S The Fu..?

June pulls herself back from the component, pull eight or ten dresses from her closet to cover the components. She drags the pink curtain to hide the ship models.

ZIN
Time, HA---HA---

Zin looks at his watch, then he realize it's too early.

ZIN (CONT'D)
(breathing, lower his
voice)
Emm, it's too early. Dad just got
an exciting news.

Zin about to leave.

June opens the door, with her sleeping dress, with sleepy eyes.

JUNE
(sleepy voice)
Hi, dad. What's the news.

Zin wears back his fat smile.

ZIN
(opens the velvet box,
shows the diamond)
Dang-dang-dang-dang~

JUNE
What?!

ZIN

Diego wants to say hello to you.

JUNE

Dad. You don't need to be so eager
to marry me out.

ZIN

I emm... it's just a gift...

ZIN (CONT'D)

(extremely low voice)

He's a good guy.

June shuts the door. Zin knocks again.

JUNE

I'll come in a minute.

Zin hands the box to June. June shuts the door.

Behind the door, June drops the box onto her bed, staring at
the light shots through the curtain.

JUNE (CONT'D)

Whatever.

(Instead of her own life, June
cares more about her life as July.)

INT. ZIN'S HOUSE - MORNING

June is astonished and surprised seeing Zin is trying to make
latte, with a wing pattern. When suddenly...

BANG-BANG-BANG! Someone pounds on the door startling.

Zin gets the milk all over himself.

ZIN

(try not to use dirty
words)

What's the...?

Before Zin could get a wipe, BANG-BANG-BANG!

ZIN (CONT'D)

Bastard!

Zin walks towards the door, angrily.

ZIN (CONT'D)

Coming!

(cursing)

^%\$&#^@*^&#&*@

EXT. IN FRONT OF THE DOOR - MORNING

Fran is knocking the door angrily. Zin opens the door.

ZIN

(trying to be nice)

Oh! Hi Fran, how's your ship?

FRAN JR

(staring at Zin with
anger)

My stone is missing.

ZIN

What stone?

FRAN

My black stone on the shelf
labelled with BLACK STONE.

ZIN

Hmm, so?

FRAN

(points to June)

I know you and your daughter went
to my ship yesterday!
Who knows if you take my stone.

Zin gets raged.

ZIN

Hah. You're funny. Why do I need a
stone.

He hits down Fran's arm that pointing to June.

ZIN (CONT'D)

Dare you point your to my daughter
again, I'll definitely fire you.

ZIN (CONT'D)

Don't remind me about the ship!
You've been working on the ugly
puffer for three years, I've
expecting a puffer to fly for three
years and...

(MORE)

ZIN (CONT'D)

(Zin takes a deep breath
to calm down)

Can it fly?

Flying ship. I see a sinking
puffer.

Fran doesn't fight back, instead he's over-calming.

FRAN

She could fly. But I can't find a
proper material that could bare the
extremely high temperature of the
engine when the blade is running.

Zin doesn't seem to listen, while June is listening
carefully.

ZIN

Whatever. I didn't see your stone.

FRAN

I know it's in your secrete
storage.

ZIN

How do you know the storage if it's
'MINE SECRET' storage!

Fran signs deeply.

FRAN

(murmuring...)

The door of your secrete storage is
behind the gate right opposite to
the reception room.

Zin is blushing.

ZIN

Let me repeat it again. I never saw
your stone! Go check my storage if
you don't believe me!

Zin shuts the door.

FRAN

Okay!

JUNE

Dad? You're too mean to him.

ZIN

Me? Mean? He has been working on the same FUCKING FLYING SHIP or three years! I've been expecting him to make a big deal for me for three years.

Zin signs deeply.

ZIN (CONT'D)

I thought he's the best ship builder all the time.

JUNE

He's the best ship builder?

ZIN

(stares at June for a moment, points to the coffee on table)

Drink your coffee!

Zin goes back to his room and shuts the door.

===== MAIN CHANGES: =====

Maybe the stone never exist. Fran didn't want to finish the ship because he's kind of afraid of flying, and not well prepared. It's like, he's the best ship builder because he devotes his whole life to build ships, why he devoted his whole life to build a ship is because he's afraid to loss the meaning of his life. But due to he's afraid of flying, he's been delay the progress for the whole three years. => Will reveal to June during the trip.

=====

CUT TO:

INT. ZIN'S STORAGE - DAY

- Fran sneaking into the storage. He checks every box, but the stone is not there. Fran leaves the storage room, but he didn't notice someone is following him. A shadow shows on the ground.

- Fran searches around the dockyard, but still no sign of the stone. A sail near Fran is disturbed by some thing.

- Till the off work bell runs. He runs into a manager.

MANAGER

What are you doing here? Off work.

FRAN

I'm finding a stone for the ship.

MANAGER

Stone? Hahahah. Why don't you go to the garbage yard, you can find whatever stone you want there!

Fran seems to be enlightened. He runs towards the garbage yard.

FRAN

Thanks!

MANAGER

(confusing...)

We got all kinds of expensive metals and you're find a stone?

CUT TO:

EXT. GARBAGE YARD - DAWN

Fran sits on a small pile of metal scrap, looks being lost.

He stares at the giant garbage yard, not a single sign of the black bag, not a single sign of the stone.

Or... there're just too much of them, but none is the one Fran wants.

Clicking...Clicking... Some small metal pieces falls from the pile.

Fran looks back, no one is there. He turns back and looks onto the ground, thinking...

A black shadow approaches him from the back.

(V.O.)

Hey! Mrs.

A shinning white hand hits Fran on his shoulder.

JULY, a pretty boy with shaggy clothes, smiling at him.

JULY

Hey Mrs. What are you looking for?

Fran didn't answer his question.

July wipes his hand on his clothes, reaching to Fran to shake.

JULY (CONT'D)

I'm July, lord of this garbage
land.

Fran doesn't shake with him.

JULY (CONT'D)

Mr. I mean, maybe I can help you.
As long as you told me what are you
looking for. I've been noticing
that you're searching for something
for the whole afternoon.

Fran raises his eyes to July.

FRAN

A stone.

July paused for a second.

JULY

What kind of stone... Is it strange
or something?

FRAN

No.

JULY

Come on, Mr. There are no two
identical stone in the world. You
know, I got a really big one in my
house. My THRONE.

FRAN

No. It's a gray stone. Not big.

JULY

Why do you want such a normal
stone?

FRAN

I need it for my ship.

JULY

Ship? With stone? How?

Fran stops answering him.

FRAN

It will shine under the sun, like
metal.

JULY

Sure. I'll take a look at it....

FRAN

Thanks a lot. That would be a great help.

JULY

...As long as you tell me why you need it for ship. How?

FRAN

Forget about that. You won't understand. Just find the stone for me.

JULY

No. I said AS LONG AS

FRAN

I'll find it myself.

Fran about to leave. July catches him.

JULY

Alright, Mr. Don't just leave, I'll keep an eye.

Fran doesn't answer him.

JULY (CONT'D)

Come on, Mr. At least tell me your name? Otherwise, even I find the stone I can't find you.

FRAN

Fran.

July trying to say something more. But Fran leaves. July stares at Fran's back.

CUT TO:

EXT. DOCKYARD - DAY

Fran is working on Luna May. July comes.

JULY

I find your stone.

FRAN

Where?

JULY
(shaking his bag)
Sure, but after you tell me why you
need the stone.

FRAN
I said I need it for the ship.

JULY
But how? Why? Where do you need it?

FRAN
It's not your business. Just give
me the stone, it's nothing but an
useless stone for you.

July reaches his bag to the sea.

JULY
Then I'll throw the useless stone
to the ocean.

Fran looks at July with anger.

FRAN
Fine.

Fran then takes his father's book, points the stone to July.
It's a gray stone, triangle shaped, with metallic luster.

FRAN (CONT'D)
(points to a component on
the ship)
See, the stone is used as this
component. It's a connection
between the blade and the ship.

JULY
Why not use iron?

Seeing Fran is unwilling to talk, July reaches his bag to the
ocean again.

FRAN
Iron is not hard enough. When the
blade is running the pressure on
the component would be extremely
huge, so I need something with high
compressive strength.

JULY
Oh! It's not a normal stone.

FRAN

Yes. It's not. Dad didn't tell me
what it is.

July is fully absorbed into the book.

JULY

(absent-minded)

But why don't you use other staffs,
there are a lot of metal in the
dockyard that is hard than iron.
Even I have some for my little
ship.

Fran tries to argue, but he got no word to say.

FRAN

Dad use this.

July grabs the sadness inside Fran's eye.

JULY

Fine. Here you are.

He hands the bag to Fran.

FRAN

(happy like kid)

Thanks!

Fran turns on the bag with exciting. Then he froze.

FRAN (CONT'D)

(angry)

It's not the stone.

JULY

But it shines under the sun!
That's the only information you
told me!

FRAN

Okay... SORRY.... My fault.

Fran is kind of absent-minded. July is attracted by another
page of the book.

FRAN (CONT'D)

(signs)

Kid, thank you. But I think I'll
find it myself.

Fran takes the book and about to go away.

JULY
(paused for a second)
Mr.! Don't go Mr. I got something
to try!

Fran ignores him. July drags him to stop.

JULY (CONT'D)
(cute begging eyes)
I'll bring it to you tomorrow. That
one would totally work, I promise.

CUT TO:

INT. DOCKYARD - EVENING

Uncle Joe is sleeping soundly.

UNCLE JOE
(mumbled in his sleep)
STOP! KID!

Outside, a black shadow stopped and hide down besides the window.

It's June. Finding out Uncle Joe is sleeping, she takes the key.

Later, tiny light from the workshop raises, noise of polishing... But Uncle Joe is still sleep like a pig.

CUT TO:

EXT. LUNA MAY - DAY

Heavy raining. The blade suddenly stopped after an almighty BANG.

Inside Luna May's operation room, a component is broken into parts and flies out of the engine, dropped onto the ground.

Fran picks the component, throws it away to a pile of broken components. He takes a look at his watch.

FRAN
10 seconds.

DADADADADADA - someone is running upstairs to Luna May.

The door suddenly opens.

JULY
(heavy breathing...)
Hey, old man. Stoping repeating the
same experiments, that not gonna
work.

Fran about to argue, but saying nothing.

JULY (CONT'D)
I find your stone.

July pats his pocket with a cunning smile.

Fran is surprised, looks at July with confusion.

FRAN
(doubting)
How?

JULY
Secrete.

FRAN
What do you want this time?

July shows a little ship model made by metal leftovers.

JULY
I made this little toy, but I don't
know how to get it a wing.

July takes out a pair of metal scraps.

JULY (CONT'D)
Here is the wing.

Fran stares at him with doubt. He takes tools to put the wing
onto the ship.

July asks a lot questions during Fran is making his flying
ship.

===== Will fill the dialogue later =====

**SOME DIALOGUE THAT JULY ASKING FRAN QUESTIONS ABOUT SHIP
BUILDING.**

JULY (CONT'D)
What is this ... for?

FRAN
....

JULY
How to ...?

FRAN
.....

.....

=====

Fran finishes the ship model, July is extremely happy.

JULY
Fran. I have to say you're indeed
the best ship builder!

Fran hands the ship to July, then he reaches out another hand

FRAN
Give me the stone.

July drops the stone onto Fran's hand, and runs away as fast
as possible.

Fran looks at the shining stone in his hand, obviously, it's
not his black stone.

FRAN (CONT'D)
(shouting to July)
You liar!
Don't expect me to tell you
anything about ships, ever!

Seeing Fran about to throw the diamond away, July runs back,
seizes Fran's hand back.

JULY
Don't Mr. Don't waste it. Try it,
it's the newest component Zin got
from the most famous traveler in
the world.
(whispering...)
As expensive as the best ship here.

Fran not seems to be interested.

FRAN
It's not my stone, I swore I
won't use anything from Zin anymore
for the ship.

Fran about to leave. July suddenly cries

JULY

Mr. Please help me Mr. Zin asks me to make sure that you take the stone. It's his apologies for being rude to you the other day.

FRAN

I don't need apologies. I have my own way.

JULY

But ... It's would be really hard for me if you don't take it.

July almost kneels down. Fran looks at him, silence.

FRAN

Alright. Tell him I'll try it.

Suddenly July smiles,

JULY

Try it! It's the hardest stone in the world! And I've already polished it for you.

July runs away happily.

Fran looks at the component in his hand, exactly the size and structure he need for the component.

July runs back.

JULY (CONT'D)

No need to say THANKS to me, Sir. I need some help for my little boat.
See you tomorrow afternoon in my place.

FRAN

Where?

JULY

The garbage yard!

CUT TO:

INT. ZIN'S HOUSE - EVENING

Exceedingly great dinner. Zin toasts to

ZIN

Welcome! Diego.

DIEGO, raises his glass. A complex but scary vintage monster tattoo runs from his hand to neck. A man around 27, sharp and clean face, long blond hair tied randomly on the back, smiles and curved his dark blue attracting Medusa eyes.

DIEGO

Glad to see you again, my friend.

Turns to June, gently

DIEGO (CONT'D)

Glad to see you again, little June.

Encountering his beautiful smile, June swallows her herbal tea, blushing.

ZIN

(smiles)

She's been waiting for you for the whole year.

JUNE

(murmuring...)

You said you'll be back on spring.
But now it's summer...

Diego laughs.

DIEGO

Yes, sorry my little princess. But being the BEST traveler is really exhausted.

Then he turns to Zin.

DIEGO (CONT'D)

I guess you already got my deposit?

ZIN

Deposit?

Diego looks kind of awkward.

DIEGO

Oh, not really deposit...
(raises his voice)
My gift to June.

ZIN

Yes. Sure, she likes it very much.

They looks at June. June looks kind of nervous.

JUNE
You mean the diamond?

DIEGO
(with extremely sweet smile)
It's the most beautiful diamond I've ever seen. XXX island sent it as the tribute to the queen. Then she gets the best jeweler to polish it.

June is astonished.

JUNE
(murmuring...)
It looks, very natural...

DIEGO
(laughing)
Ha, Ha, Ha. Yeah, they says it's the new fashion, NATURAL. I can't quite understand it too.

JUNE
I think it's just a ... diamond.

DIEGO
Yes, it's just a diamond, without... this.

He hands out a delicate velvet box, opens the box gently. A golden necklace lays inside the box, shining.

June enlarges her eyes.

JUNE
Wow!

DIEGO
I think it would be a bigger surprise if I could present to you myself.

June is almost crying.

DIEGO (CONT'D)
Now, June. Take the diamond, I'll show you the magic moment.

Diego's smile is just too charming to resist.

JUNE
Okay, I'll get it.

She gets up, about to go upstairs. Then she froze.

JUNE (CONT'D)

Emm. I ... Emm. Maybe we should finish the dinner first? It's getting cold.

Zin and Diego looks at her with confuse.

DIEGO

Doesn't matter. We can wait.

ZIN

(indicating June with eyes)

Just get it, don't break this beautiful moment.

(to Diego)

You can't imagine how excited she is when I gave it to her.

JUNE

(murmuring...)

Yeah... I know it's a diamond, but I swear no one can recognize it as a necklace.

June moves her steps slowly upstairs.

ONE. TWO. THREE... Then she stops. She runs down stairs to Diego.

JUNE (CONT'D)

(with smart eyes)

I don't believe you'll give me such expensive gift.

DIEGO

Why, not?

JUNE

You must have some desires. Or... the diamond is fake.

Diego looks a little bit angry.

DIEGO

How could I give you a fake diamond. You're so sweet.

JUNE

Then you must have some requirements.

DIEGO

I ...

June blinks at him.

JUNE

Are you proposing to me?

Diego almost splits out his wine.

DIEGO

Alright. I do need your fever for one little thing.

June comes back to sit, breathes a sigh of relief.

DIEGO (CONT'D)

The queen's birthday is approaching, I'm thinking to chose a little boat as the gift for her. You know, I can never become the best without her appreciation.

ZIN

Sure. The ship commercial event is approaching, you can find whatever you like.

DIEGO

No. I want it before the commercial event. That's why I send the deposit so early to you.

ZIN

Deposit?

DIEGO

Emm. The diamond.

JUNE

(can't help laughing...)

I know it! I know you won't give me such expensive gift!

DIEGO

(murmuring...)

Shh.Shh... The necklace is also quite expensive alright!

ZIN

Oh, you don't need to sent the deposit at all. You know you can always get any ship you want from me at any time.

DIEGO

Thank you, my friend. I want the ship to be unique. Like you know, a lot of people is planning a ship as a gift too. So I came earlier to get the best one.

ZIN

Sure.

JUNE

(excited)

I can show you around the dockyard!
I know some really unique ships!

DIEGO

Oh, really? How about tomorrow afternoon? I have some other business during the morning.

JUNE

Tomorrow... afternoon? I ...
emmm... I have to practice piano tomorrow afternoon. What about the day after tomorrow?

Diego looks kind of embarrassed.

ZIN

You can have a day off. Diego is quite busy, don't make him wait.

JUNE

But... then it's reading time.

ZIN

Cancel whatever you have to do!
Diego is NO.1 priority.

JUNE

Alright...
(murmuring...)
But I already have an appointment...

EXT. DOCKYARD - DAY

The wheel stops after several struggle. A melt iron drops onto the ground from the engine.

Fran stares at the component July gives him. A virtual July shows besides him.

VIRTUAL JULY
(almost crying)
Try it. Please.

Fran looks at his poor face.

VIRTUAL JULY (CONT'D)
This is the only way. Trust me.

Fran takes a heavy breath. He goes through the list again, making sure nothing is misses.

FRAN
Alright, let's try it.

He puts the component into the engine.

INT. DOCKYARD - DAY AFTER WORK

The last worker says goodbye to uncle Joe. Uncle Joe waves to June and Diego, both of them look exhausted.

UNCLE JOE
How's your trip today? Did you find the ONE?

Diego shakes his head. June takes a deep sign.

JUNE
I didn't expect you're so picky, even worse than I am to clothes.

DIEGO
It's for the queen. I want something unique. She's important to me.

June stops.

JUNE

Unique... I know the one!

DIEGO

Which one?

JUNE

The flying ship!

DIEGO

Flying... ship? I didn't see anything flying.

June and Diego turns back, a giant puffer is flying in the sky.

Diego opens his mouth with astonishing.

JUNE

Come on! Let's go to the ship!

CUT TO:

INT. LUNA MAY - DAY AFTER WORK

Fran's controlling the ship. He seems happy, but also preoccupied. Out side the window of Luna May, it's ...

THE SKY! She's flying!

Fran looks at his watch.

FRAN

30 mins.

Fran's hand stopped on the acceleration button. He shuts down the engine. The ship gradually fall back to the ground.

Fran checks the engine. The temperature is still high but the stone looks fine.

Fran looks at his watch.

FRAN (CONT'D)

Hope I'm not late.

Fran takes out the stone from the engine, put it into his handkerchief, wrap it carefully.

June runs into him when Fran just one steps out his workshop.

JUNE

What the F?

FRAN

Hey, watch out little girl!

JUNE

Oh! Fran! You're here! I bring a big big buyer for your ship.

FRAN

Who... Are you?

JUNE

I'm Ju... June, Zin's my dad.

Fran frowns. June drags Diego here.

JUNE (CONT'D)

Dang-dang-dang-dang.
The flying ship!

Diego looks around Luna May.

DIEGO

The...flying puffer. Emm... It's rather cute on the ground.

Diego turns to Fran.

DIEGO (CONT'D)

So this is the flying ship? Can you take us for a ride?

Fran stares at him, without saying a word.

JUNE

Show him, Fran. We saw the ship flying in the sky.

Fran picks his bag, ignores the two.

FRAN

No, she can't anymore.

Diego looks at June.

JUNE

Why it can't? We saw it flying just now.

FRAN

It's just THEN. She can't fly now. And not any more.

June stares at him.

JUNE

Why!

FRAN

An important part for the engine is broken.

JUNE

By heat?

Fran confused.

FRAN

How did you know?

JUNE

It's not possible! It's a dia....

Then she realize Diego is listening. Fran stares at her with suspicious.

Diego looks around the ship, he seems to be attracted.

DIEGO

It's quite a unique ship, after all. Can I look inside?

Diego about to walk onto the ship. Fran blocks him.

FRAN

Sir. I told you it can't fly. If you don't have anything else. I need to go. I have an appointment.

Fran checks his watch.

JUNE

No you don't.

FRAN

Yes, I do.

JUNE

You don't, I promise. Jul...
Emm... We just saw her flying in the sky, why she can't fly now?

FRAN

She just can't.

Fran packs his staff, about to leave. Diego stops him.

DIEGO

I'll take your ship. Get it ready by this weekend. And we want see it fly again.

FRAN

What? It's my ship!

DIEGO

Oh really? To be honest, I don't think so.

Diego turns to June.

DIEGO (CONT'D)

Let's go June. I need to talk to your father, to identify the owner of the ship.

JUNE

I know the component couldn't be broken! The ship is totally able to fly again!

Diego smiles, while Fran is annoyed.

DIEGO

We'll know on Saturday. But I like the puffer, not really matter if she could fly.

DIEGO (CONT'D)

Bye, uncle Fran.

He looks at his watch again.

FRAN

Hope he didn't wait for long.

diamond back to the girl.

Fran takes out the box.

FRAN (CONT'D)
(murmuring...)
It looks important to her...

Still no one answers him.

FRAN (CONT'D)
July? Are you still here? I'm sorry
to keep you waiting...

He searches around the garbage yard. No one is there.

FRAN (CONT'D)

JUNE (CONT'D)

Fran looks worried with a velvet box in his hand. Zin opens
the door.

ZIN

Oh! Fran, I'm just looking for you.
Diego wants your ship. And you
should make sure it could fly
again.

FRAN

She can't.

ZIN

They already saw it.

Fran opens the handkerchief to Zin.

FRAN

Thank you, your component works,
but I can't take it.

Zin stares at the component for a while.

ZIN

What's this? A ... shining ...
stone? Or glasses.

FRAN

Emm... I don't know. It's yours
after all.

ZIN

Mine?

He looks at the component carefully.

ZIN (CONT'D)

F**k... It's a diamond!

Fran's shocked too, he takes one step back.

FRAN

Diamond?! You gave me a diamond?

ZIN

I gave you? Even myself never got such a big diamond. It worth a ship! Am I mad?

FRAN

I... think... maybe... yes?

ZIN

Fran, I swear, for my whole life I only saw such big diamond for once, and that one should be June's wedding ring 100% not your stupid component.

FRAN

Whatever, I just want gave it back to you.

ZIN

(murmuring...)

But Diego says it's the only GIANT diamond in the world.

June runs down stairs, while Fran about to go.

JUNE

Fran!

Fran looks back to June. He sighs.

FRAN

Alright, Miss. Now I can explain to you why the ship could fly.

Fran points to the diamond.

FRAN (CONT'D)

Your dad gave me this, and even had someone polish this for me. Of course I don't know it's a diamond, so I try it. Then the ship fly, it works.

Fran turns to Zin.

FRAN (CONT'D)

Thank you, Zin. But I can't take it.

Zin gazed at the component, his face gradually turns to grey.
Zin looks at June.

ZIN
Where is your diamond?

June tried but still can't cover her nervous.

JUNE
It's... It's ... in... my drawer..?

ZIN
Go take it.

JUNE
Emm, I don't, I don't think we
should...

Zin suddenly gets raged.

ZIN
I know it! I always know it!

June is almost afraid to tears.

JUNE
Dad... I ...

ZIN
(suddenly gentle)
Not your fault dear.
(turns to Fran)
Yes! You stole my diamond!

FRAN
I... I didn't. You gave it to me!
You ask Ju...

Fran stopped. He lowers his head.

FRAN (CONT'D)
I'm sorry. And now I turn it back
to you.

ZIN
WTF?! You've made it into a useless
component! The diamond worth a
ship, don't you know that?

FRAN
I'm sorry. I'll cover your damage.

ZIN
How could you afford?

FRAN

I build ships.

ZIN

Let me tell you. Diego wants your ship, only because, Luna May could fly. And now, you use his deposit to make it fly, then you tell me it can't fly, because flying counts on my deposit?

FRAN

Basically... yes?

ZIN

The diamond, I plan to make a wedding ring for my daughter? Now you owe her.

JUNE

Dad... He didn't. I ...

FRAN

I'll make up for her wedding ring. But the ship can't fly till I find my old stone.

JUNE

No! I don't need your make up! What's wrong of use the diamond? Must you being so stubborn to your old ways?!

FRAN

(confused)

I... broke your component. And... I think that is wrong...

JUNE

You didn't broke it! I know who did!

Fran looks nervous. He stares at June's eye for a long time, remain speechless.

FRAN (V.O.)

July... No, I can't tell them.

FRAN

No! I broke it. I swear to the god, I broke your diamond.

Zin is confused, like watches a drama.

ZIN

Come back to your room June. I'll deal with it.

JUNE

I'm dealing with it! He can't return this to me!

June is almost crying. Zin holds June closer into his arm.

ZIN

Dad knows. He would return your diamond, the real diamond. Dad promise.

Fran gnashes his teeth.

FRAN

Yes, Miss. I promise, no matter it takes.

June struggles to free. She can't help but cries out.

JUNE

You knows nothing at all!

She runs back to her bedroom.

Seeing June suffering so much, Zin is quite heart broken.

ZIN

(to Fran)

Now, get out of my house. We'll talk tomorrow, but you must give the diamond back to my daughter, I mean in a whole. And prepare the ship for Diego, IN A WHOLE!

Zin slams the door. Fran stares at the door.

FRAN

She's not ready.

INT. OUTSIDE JUNE'S ROOM - NIGHT

ZIN (CONT'D)

Still no one answering. Zin about to open the door.

JUNE

ZIN

Fine, Fine. Dad will make sure he
gives back your diamond.

Silence again.

Inside the room, a little robot is just closing her mouth. No
one is in the room.

Fran cleans up a square on the ground, left the coconut upon the center of the circle. And writes:

Thanks for the component.
-- FRAN

Fran takes several steps away, making sure that July could see his return present.

FRAN (CONT'D)
Now. Bye-bye.

=====

I'll come back to cut the first part later... Basically, change Diego to the bad guy, he wants the ship and wants June, June escape onto Fran's ship, Fran stoles his ship during night.

(Zin might be a coward guy, he doesn't want to make trouble with Diego the government, and pirates, so basically he wants June to marry Diego, which is also a good choice for her.)

The following begins from June has a quarrel with Zin and escape from home, Fran burns his house to distract the guardians.

=====

Fran sits by his bed, with a bottle of Absinthe, staring at the yellowed map hangs on the wall.

Messed routes leads to a small red point, in the middle sea. Ship design maps packed on his desk, from the first version of Luna May till the last one.

Fran looks through the maps, touches them gently.

FRAN
I almost forget why I build the
ship...

A kite is on the corner. The one he used to fly with Glinda.

Fran takes a draught of Absinthe, he's chocked. Suddenly, he stands up.

FRAN (CONT'D)

No! I can't just give her away!

A flicker of sadness shines across his face.

He hits someone, a hand covers his mouth.

It's Fran.

JULY (CONT'D)

JULY

F**k! What?!

July wrests the oil drum from Fran and throw the drum to the guards, with, like, all his energy.

JULY (CONT'D)

I mean, why you bothering to steal the oil?!

FRAN

I'm not stealing the oil! I'm ...

A box of match also drops onto the ground.

July stares at the match.

JUNE
(determined look)
Alright. Fine.

He lights the match.

FRAN
Wait. What're you doing?!

Before he could stop July, July throws the match to the oil puddle...

We should... F**!
(pats on his head)

JULY
How? Where is the switch?

Fran looks to a tiny room near, a guard is in there. He locks the switch grimacing to Fran.

A group of guards about get onto the ship.

July takes several heavy breath.

JULY (CONT'D)
Okay, okay. Let me save us!

He runs to the control room, inserts the diamond into the engine.

JULY (CONT'D)
(breath in && breath out)
All set, let's go!

FRAN
(astonishing)
How?? How do you got the diamond?
I just, I just turns it back.

JULY
I... emmm...
(points to the guards)

FRAN
(takes a deep breath)
Yes.... The blade...

The guards is one step away from the ship. Fran presses a button, the engine starts, ship shaking.

FRAN
(low voice)

ZIN (CONT'D)

Unless... He got the diamond...

The guard looks at Zin, confused.

ZIN (CONT'D)

(raged, seize the guard)
He took June's diamond again!
Bastard!

GUARD

(scared)
What... what... are you talking
about... boss?

Zin stares into the guard, who's kind of shaking.

ZIN

What are you doing here! Get him

DIEGO

Oh, looks like she's pretty well
and sound.

(pretends to know nothing
at all)

So you're testing my ship?

ZIN

Yeh... No. Emm... Fran's ... Taking
her away...

Diego wears on a serious look.

ZIN (CONT'D)

(panic)

I promise I'll get him back...

Don't ... Don't ...

Diego looking at the ship in the sky.

DIEGO

(pats on Zin's shoulder)

No big deal pal. He can escape from
your place, but not mine.

ZIN

(points to the sky)
He is, WANTED.

ATTENDANT

Diego shows a extremely pretty but also poisonous smile.

DIEGO (CONT'D)
(to Zin)
Can I invite June to the trip with

JULY
See Fran, I never expect TWILIGHT

JULY

(weak sound echoed through
the glasses)

Are you okay Fran? You look tired.

Fran's face turns green. July walks into the control room.

wheel)

I can driving for a while.

Fran hits his hand down from the wheel.

FRAN

FRAN
Don't touch it!

Fran runs to protect the map. The ship takes a sharp turn, the moment Fran lose the wheel.

JULY
Which means...?

FRAN
Which means... The blade may leads to random turn, if I loose the wheel.

JULY
Means... we have to drive it all the time?!

FRAN
Yes. *I* have to. Not you.

July looks at Fran's red eye...

JULY
(murmuring...)
I will 100% not rely my life on a tired old man.

FRAN

You sure you're not kidding?

JULY

Why? What a brilliant idea!

FRAN

FRAN
I guess I left my bag in the

JULY
So?

FRAN

JULY
What should we do? Don't tell me

What is this ship from?

OFFICER
A wanted man, steal the ship from
the greatest traveler.

JULY
Where are they going? I mean there
is no map, and nothing but a wheel?
How to power off?

FRANSISCA
(pretend to exploring
around)
Yes, why there is nothing. They
should have a map.

OFFICER
I locked them. In case the wanted
man comes back, so I took
everything.

FRANSISCA
F** ...

OFFICER
Pardon?

FRANSISCA

Fine. You're doing quite right.

OFFICER

Exactly, I'm planning to hand everything I got to the traveler on the welcome ball.

FRANSISCA

Welcome ball?

OFFICER

Yes. I messaged the Mr. Diego, he wants to come and get the man himself. I said he doesn't need to bother, but...
You know what, that bastard kidnapped his fiancée!

JULY

(murmuring)

He didn't.

Fransisca walks to the engine room, it's locked.

FRANSISCA

Oh, bad news.

OFFICER

(showing off the key)

I locked the engine!

(cunning smile, seize his fist)

The man has no chance to escape from my place!

FRANSISCA

Yes... He has to struggle a little...

July also looks like running out of ideas.

FRANSISCA (CONT'D)

(to officer)

You said there is a ball, I remember?

OFFICER

(eyes shinning)

Yes, there is a ball.

JULY

(before Fransisca says anything)

(MORE)

JULY (CONT'D)

Can we come? I'm curious about the
greatest traveler!

OFFICER

(also excited)

Are you will to come? Fransisca?

FRANSISCA

(pretend to be unwilling)

Emm... Alright, I planned to stay
several days in town.

A man comes on board.

MAN

Mr. The ship is well-tied. We're
ready to go.

FRANSISCA

(angry)

Where are you going to take m...
the ship?

OFFICER

Oh, no worry Fransisca, I just want
to take it to my harbor facing the
ballroom, so Mr. Diego could see
his ship immediately he come here.

FRANSISCA

(smile to July)

The harbor is right facing the
ballroom?

(to Officer)

When is the ball? I should surely
dress up nicely.

OFFICER

Should be tomorrow night. I'll pick
you up then. But now, my lady, you
should really go.

CUT TO:

INT. HOTEL ROOM - NIGHT

Fran shuts the doors carefully, and makes sure all windows
are closed.

FRAN

(tears off his wig)

F**k! Basterd! That's my ship!

JULY

Be tender, aunt Fransisca. Remember
you're a woman.

FRAN

I'm not.

JULY

You're an attractive woman!
(spare hands)
This the only way we can take our
ship back.
Seduce, you have to learn how to
seduce.

FRAN

(deep sign...)
O....kay? How to seduce?

JULY

How do you expect me to know? I'm
an innocent little g... boy.

FRAN

(raises his eyes slightly)
I'm an innocent old man.

JULY

Alright, let's play an imitation
game.

July shows Fran the Marlyn Moore pose.

Fran intimate him with his strong and clumsy body. It's like
a joke.

JULY (CONT'D)

No, no no Fran. You need to learn
the feeling, not the pose.

JULY (CONT'D)

(repeat the pose again)
Feeling! See, feeling.
(and again)
Pay attention to my eyes.

Fran stares at him, dumb with little blush.

JULY (CONT'D)

What?

FRAN

You looks good.

Fran looks at July, sincerely.

JULY

Okay, okay. Let's try this way.
Imagine your wife, wait ... are
you married?

(Fran shaking heads)

Then your girlfriend.

(Fran looks confuse)

What's her most beautiful moment?

Fran doesn't look like he understand.

JULY (CONT'D)

Come on. You must have a
girlfriend, emm, had, at least.

FRAN

No I didn't.

JULY

No kidding. You're nearly 50 years
old.

FRAN

But I never have a girlfriend.

JULY

You never love someone before?

FRAN

No, I do loved someone.

JULY

So, what did she do to make you
love her.

FRAN

Glinda... Glinda... We drink
coconut milk together.

Fran's voice brings him back.

FRAN (CONT'D)

She's quite a cute girl.

(silence...)

I miss her.

JULY

Where is she?

FRAN

(points to his heart)

Here.

Moon light sneaking away from their window. Fran staring at July.

FRAN (CONT'D)

She left me when we were ... like 5
years younger than you. I've always
been thinking about... the day when
we grow up, I'll build her a ship,
we'll travel around the world,
she'll wear a white dress,
 (Fran's eyes filled with
 tears, but happy tears)
Dancing in the bow...

July is listening carefully, his eyes are kind of wet.

FRAN (CONT'D)

She's gone with my dad. The day he
finished the very first version of
Luna May.
... And they just gone.
I feel like they owe me a word,
it's just too sudden.
 (smiles to July)
So I think maybe I can meet them
again in the mountain, so I can ...
at least say goodbye...

JULY

We do not always get the chance to
say goodbye. No matter how close
they are to you.

July stands up, avoiding Fran's eyes. He shuts off the
lights.

JULY (CONT'D)

Good night.

FRAN

 (realize July's avoiding
 something)
You got a story? We'll know Zin
would satisfy all your needs.

JULY

 (standing froze)
Yes, true, I nearly forget who I
am.
 (tears fall off his face)
You know how I wish I never been to
the world! So ...

July can't help but crying.

JULY (CONT'D)

You know why I'm running away with you? You know why I want to go to the mountain?

FRAN

You have trouble with Zin?

JULY

(sign)

Okay, June will tell you her story.

July takes off his hat, hair falling down.

JUNE

July, is my twin brother. I persecuted him and my mom. Zin can't forgive me, and he won't.

FRAN

(shocked)

How?

JUNE

We should born in July, but I born in June. Mom is exhausted because of premature delivery, and, they just died.

(grounded his teeth)

I should never come to the world, you know!? You know how I wish I was the second, so at least he could live...

June holds Fran tight in the darkness.

JUNE (CONT'D)

Dad ... I know he would never forgive me. I ... I never hug him like this.

Fran holds back, touching her hair like a father.

JUNE (CONT'D)

Live as July, is the only way I can make up.

(looking at Fran with touching eyes)

Can you take me to the mountain? I think maybe I could see mom, maybe I could see July.

FRAN
Sure, we'll go together.

CUT TO:

EXT. SEA - NIGHT

A dedicate ship with beautiful lights. Diego and Zin stands at the deck. Zin looked extremely worried.

DEIGO
(toast to Zin)
Relax man. We'll arrive at the island early in the morning, enjoy the party...

ZIN
(interrupt him)
Did they get any news for June? No one says for sure she's on the ship.

DIEGO
Of course she's on the ship, where else could she go?! We just need to get the ship, and wait the worker to show up, or the boy. Cheer up man, it's rude to be so disappointing on a trip.

ZIN
It's not a trip.

DIEGO
(quite disappointed)
Unfortunately, everything for me is a trip.
(shrugging)
She's your daughter, not mine.

Diego turns back, about to leave.

ZIN
(angry)
She's also your fiancée!

DIEGO
(turns back to Zin, closer to his face)
Unfortunately again, it's also because of, my trip.
(MORE)

DIEGO (CONT'D)

I mean, the greatest traveler combines with the owner of the biggest ship factory, emmm, future owner. What an amazing couple you see?

ZIN

You do all these thing just for my ship factory? Just because June is my daughter?

DIEGO

Any better reason? I'm a traveler, my whole life is about trip.

Zin gets raged punches towards Diego's face.

DIEGO (CONT'D)

(stops Zin)

Oh, come on dad. I mean when did you changed into such caring dad? You've been avoiding her for whole 16 years. Did you ever notice how expecting she is waiting for you to come back for her birthday? At least I showed up on most of her birthdays.

ZIN

I ... I was trapped on Mary's death then... I just ... I can't forget the first moment I see her, sucking from Mary's weak body, she's smiling so beautifully, while Mary is just too pale to smile.

(buries his head into the deck rail)

I thought she's a devil.

DIEGO

(cold)

And she know that. Get a rest, pal, hope you could get chance to make up with her.

(fake shinning smile to Zin)

We're the devil.

CUT TO:

INT. HOTEL ROOM - MORNING

Fran is making up by a mirror. He looks extremely serious.

FRAN

July? Help me with the eyebrow, I
can't make it right.

JULY

(shocked)
Pardon?

FRAN

(with half-face made up)
Help me with the eyebrow!

JULY

(can't help laughing)
Why are you so serious?

FRAN

That's the only way to get the ship
back, you said last night. I
promised you to take you to the
mountain. I don't want to
disappoint a second girl.

JULY

(smile sweetly, and takes
the pencil)
Okay, I'll help. Thank you, Fran.

Someone knocks the door, July opens the door, an attendant is
outside the door.

ATTENDANT

(to Fran)
Good morning, ma'am. The carriage
is waiting downstairs we could set
off anytime time you're ready.

FRAN

(pretending female voice)
Sure. Thank you.

ATTENDANT

for Mr. Diego.

FRAN

Never mind. I'm ready.

CUT TO:

Diego and Zin walks down the ship. Mr. Smith rushes up to meet them.

DIEGO
Any news for the worker?

SMITH

DIEGO
Great.

Mr. Smith invites them to the party house, when the carriage just arrived.

Fransisca walks down the carriage, Mr. Smith walks excitedly to Fransisca. Seeing the size of Fransisca, Diego and Zin shocked.

SMITH
(to Diego)
Let me introduce my companion, Miss Fransisca to you.

 (turns to Smith)
 What if the man we struggling to
 find is just in front of us?

FRANSISCA
 (nervous, and trying to
 speak more like female)
 Me?

Zin whispers something to Diego.

DIEGO
 Hahaha, just kidding. I mean he
 must come for the ship, dressed up
 like, a servant, patrol, or ...
 (searching over the room)
 A lady maybe.

SMITH
 No kidding Mr. Diego. Fransisca is
 the only lady here.
 (whispering to Diego)
 I'm pursuing her...

DIEGO
 Oh. Let me speed it up a little
 bit.

Diego whispers something to Smith's ears.

DIEGO (CONT'D)
(bows, invites Fransisca
to dance)
May I?

Diego raises his eyes to her, with evil smile.

FRANSISCA
(tries hard to not

Diego becomes more and more susceptible.

Suddenly, Diego throws Fransisca to Smith.

you, he just want our dockyard.

DIEGO

(stares back to Zin)

What did you say? Father-in-law?

ZIN

You don't love her. You do this
just because you need the dockyard
to maintain the 'BEST' traveler
title.

DIEGO

(terrifying smile)

That's not true. I can love her, as
long as you give the dockyard.

(to June)

Do you think I love you?

June nodded, and then shakes her head.

JUNE

You're good to me.

DIEGO

Yes, I'm certainly good to you. I
