

Narcissus In The Mirror

Written by

Ree

FADE IN:

Crowded tiny house with dim, shaking incandescent light,
paper fragments with music symbols scattering on the floor.
PHILLIP (18) sits on the edge of his bed, looking down on the
fragments, we can't see his face clearly. A middle-aged woman
stands besides the door, messy hair slipping out of her bun.

LILA
Phil, could you just be mercy to
mom and being a good engineering
student? I'm too tired to support
you for another life.

PHILLIP
Sorry, mom.

Tears fell down along LILA's face. She collects the
fragments, and throws them into a garbage can.

LILA
I don't want to see you doing this
again. Music is just not our fate.

She turns off the light.

LILA
(slams the door)
Night-night. Phil.

In the darkness, moonlight leaking through the curtain.

CUT TO:

INT. NARCIS'S ROOM ON 55 FLOOR - 8:00 AM

NARCIS (22), long artistic hair with sharp-edged face, sits
on his bed with eye half open. Tears drop down his face. He
searches around the dedicate house, big, bright, with luxury
modern decorations, music sheets and pens scattering around
the ground.

Music comes in. By the giant French window, his girlfriend
MIA (21), is practicing violin. Hair tied casually into a
bun. Lights leaking through her semi-transparent silk robe,
lighting up her curvy body.

Mia walks to Narcis, kissing him on the forehead.

MIA
What's the matter, honey?
Nightmare?

NARCIS

(holds Mia into his arm)
Nothing, just mom. You know, she
hates music.
(holds her tighter)
Mia, I feel so lucky you're with
me. Rock is always us against the
world.

*
*
*
*
*
*
*

MIA

Not really, honey. You're the
world.

*

Seeing through the giant window, the whole city is covered by
giant posters of his coming show. Fans crowded on the street
under the building.

*
*

Suddenly, someone sharp && bitchy man's voice comes from the
living room.

LEO

What's the hell did you do!

*

Narcis && Mia opens the bedroom door.

INT. LIVING ROOM - MORNING

LEO (30+), with flowery T-shirt red tight pants, with a
frightening look. Beside him, wine bottles scattering among
the ground. Four young man lies on the sofa with all kinds of
weird postures. Several syringes lies on the table. Leo
notices the syringes, he secretly throws them away to the
garbage can. Narcis notices the syringes and frowns.

*

Seeing Narcis, Leo changes his face to surprising smile.

LEO

(extremely fast speech)
Oh, you're awake, my superstar!
Yesterday's show it's bombing!
Here, here, you got invitations
from xx TV, xx entertainments, ...
17 commercials next month and Karl
Lagerfeld promised to design
costumes for your next show.
...
Oh no, next show is Thanksgiving,
maybe next years world tour. I'll
told him.

Leo takes off his exaggerated glasses, his shining eye full
of excitement.

LEO (CONT'D)
(holds Narcis by his
shoulder)
You did it! Narcis, you did it!
You're a superstar!

Leo wakes the band members up.

LEO (CONT'D)
Hey guys, wake up wake up. It's
8:00 already, how could you still
being sleeping!
We got a signing session on 10:30
and the rehearsal starts three in
the afternoon.

The band members are still lies on the sofa, suffering from
the heavy hang over.

Leo takes a sofa pillow, about to throw to Tim.

LEO (CONT'D)
(angry, yelling)
Oh my god! Get up you guys!

Mia giggles.

TIM
WWWWHat?! 10:30?! We only got two
hours! Doesn't rock star need a
breath?!
(murmuring...)
I just got a lunch with the cool
chic last night.

LEO
(gives a scornful look to
Tim and the messy room)
I already give you a whole night
for break! Who knows you wasted it.

LEO (CONT'D)
I've checked the stage in the
central square, it's totally
amazing. Be prepared, boys.
Theoretically, you win perfectly
the whole world.

Narcis and the band smiles.

LEO (CONT'D)
All-right, now you have 45 mins to
dress up. I'll see you in the lobby
at 9:00 AM.

He pushes Tim and others out of the room.

CUT TO:

INT. LIVING ROOM - 8:15AM

Leo closed the door. Narcis looks directly into him.

NARCIS
(kind of angry)
Why those syringes?

LEO
Oh, kid, don't worry. I totally
understand it's a typical
ingredient of rock. Let me take
care of it. Nothing happened,
everything is fine.
(push Narcis and Mia down
to sofa)
All you need to do is getting
dressed, wearing up your shining
superstar smile and see me on the
1st floor.

Leo leaves the room.

Narcis sits on the sofa with Mia, staring her with sluggish
eyes.

NARCIS
(murmuring...)
Dad could be a super star if not
because of the drug.

He turns to Mia.

NARCIS (CONT'D)
Call the security next time.

He turns to the bloody-red heart-shape stone on Mia's
necklace.

NARCIS (CONT'D)
Real music comes from heart. Not
those stupid ingredients.

Suddenly, Mia's eye shinning.

MIA

You know what, I played your music
sheets on the ground this morning
and I think they matches perfectly
with violin.

NARCIS

Oh! Those sheets are from the last
song of the album.
NARCISSUS IN THE MIRROR.
And I'm thinking to add some violin
chords last night so we can play
together on the final show.

MIA

Let me take the sheets.

She runs back to the bedroom for the music sheet. But wait...

MIA (CONT'D)

What's this?
(hands the sheet to
Narcis)

NARCIS

Music sheet?

Narcis looks at the sheet,

PROGRAMMABLE QUANTUM PROCESSOR FOR NEXT GEN AI

NARCIS (CONT'D)

Emm... Who's paper is this?

MIA

No idea. But I'm practicing it this
morning? It's not possible...

NARCIS

Leo, I think we got some unexpected

need to check with the security.

LEO

What?

(looks onto his watch)

Okay listen Narc, we'll check with
the security, after the signing

NARCIS

Sorry. I can't loss the song.

He cuts the phone off.

NARCIS

Securities breaks into the bedroom. Leo breaks into the room.

LEO

(drags Narcis to the door)

Leave the case to securities. We
need to go N.O.W!

Narcis seizes Mia's hand.

NARCIS

Come with me. It's not safe here.

INT. CORRIDOR - MORNING

*

Narcis and Mia comes out of his room.

Narcis holds Mia's hand tightly.

*

ELEVATOR OPERATOR

EXT. OUTSIDE THE RECORD STORE - AFTERNOON

*

Narcis and the band gets off the company building, with ten security people around them to prevent the crazy fans from coming closer. Leo and Mia following them.

*

*

TIM

(taking pictures with fans)

Thank you for coming. I love ya.

...

NARCIS

(smile to Tim)

Do you have any other testers instead of 'YES'? You're 21. Be like a man, Okay?

*

*

A fan with large and thick glasses on her head, showing up in front of all fans, taking a notepad with her.

THE FAN

(with serious face)

What do you think about Google's
quantum supremacy paper?

NARCIS

What?

Mia follows Leo, taking photos for Narcis. Hearing the word
'QUANTUM', Mia looks into the crazy fans, finding the source
of the sound. But the fan just turns back to crazy.

THE FAN

Narcis I love you!

Mia frowns and looks to Leo.

MIA

Did you notice the fan? Asking
about quantum supremacy? Do you
think she might be the one left the
paper?

LEO

What fan? What paper?

MIA

The girl with weird black frame
glasses and Disney T-shirt.

Mia looks back to the crowded, trying to point out. But the
girl disappears.

They finally managed to enter the record store. The store
manager opens the door for them.

MANAGER

Welcome, my super stars! You album
will certainly hit top on
billboards!

Workers are busy arranging albums onto the shelf. Narcis
takes one album, the last song ***Narcissus in the Mirror.***

NARCIS

(to Tim)

I think we should unplug for
NARCISSUS IN THE MIRROR in the
final show. Mia tried it with
violin this morning and it's
totally amazing.

TIM

Yeah... maybe Lena, the music critics if you forget, is been saying that **NARCISSUS IN THE MIRROR** is too showing off, with all those complex instruments...

(intimating the critics women)

Which is

(quote in quote)

FLASHY.

NARCIS

Lena is kind of right, prefer to be simple.

TIM

Yes! We can made another album with the unplugged version!
It's my favorite song in the album, though drum beats is so simple...

INT. RECORD STORE - MORNING

A long table set besides a whole shelf of the album. Huge posters **NARCISSUS IN THE MIRROR** sets aside the table. Narcis and the band sits behind. Fans lined up.

Narcis takes a look at the contents on the back. Turns the album up.

NARCIS

I mean it, we could just use guitar and violin for the last song. Mia's practice inspired me.

TIM

You sure? BASE SOLO to guitar && violin?

NARCIS

I'm not saying the base solo it's the second last. I mean the last one, **NARCISSUS IN THE MIRROR**, same name with the album.

TIM

Oh, your last song is still in your uterus. You said it's not good so we just removed it from this album, and waiting for your parturition.

Tim touches Narcis's belly and laughing.

NARCIS

You removed it?

Narcis flips the album on his desk, looks at the song list.
Indeed there is only 9 songs.

TIM

Wake up dude. I know you might be
too tired last night.

NARCIS

We're talking about it just now
besides the shelf, how? It's not
possible.

The manager is going to open the door. Narcis stops him and
calls him to the record shelf.

NARCIS (CONT'D)

(shows the album to the
manager)

You sure you are using the right
batch? And every album is the same
here? I see only 9 songs on the
album. It should be 10.

MANAGER

Ten? I remember there are only 9
songs.

The manager picks one record from the shelf.

MANAGER (CONT'D)

See, only nine songs. Everyone is
the same.

NARCIS

Puts off the signing, I need to
check with Leo.

Narcis runs to the VIP store.

CUT TO:

INT. VIP ROOM - MORNING

Mia is discussing the weird things this morning with Leo.

MIA

(talking to Leo)

I'm just practicing the music this morning, and when I turns back for the music sheet, it's disappearing, and I got a somewhat QUANTUM papers.

Is that Kaito Kuroba's message? But what's the meaning of stealing an already published song? The records are already on signing here.

Before Leo could responds to Mia, Narcis breaks in.

Leo's fancy eye glasses slipping down his nose.

LEO

What's the matter, my little tiger? You looks annoying.

NARCIS

What's wrong with the last song? It disappears from the album!

LEO

What song? Calm down, little tiger, tell me what happened.

NARCIS

(throw the album onto Leo)

Where is my last song? That song is the heart of the album you know?! Why it's missing now.

Leo takes the album from Narcis, turns to the song list.

LEO

One, two, three, ..., eight, nine. The last song... See it's here, your base solo. What's the matter?

NARCIS

Not this one. I mean **NARCISSUS IN THE MIRROR.**

LEO

Oh, that song. You said it's not ready and forbid us to put it in the album until your

(*quote-in-quote*)

PERFECT version is finished.

NARCIS

Not finished? I finished it! Mia
played the whole piece this
morning!

*
*
*

MIA

(turns to Leo)

Yes. That's the one I just talked
to you.

*
*
*
*

The door opens, and the manager comes in.

MANAGER

Oh, Narcis, you're here. They're
waiting for you.

NARCIS

Told them the signing event
canceled.

MANAGER

What?

NARCIS

I won't sign anything without the
last song, it's not my album.
Cancel the signing.

*
*

MANAGER

What signing? I just wanna told you
a new batch of out-of-print 1950s
CDs just arrived, and see if you
wanna take a look.

*
*
*
*

NARCIS

CDs?

*
*

CUT TO:

INT. RECORD STORE - MORNING

Narcis comes out of the VIP room, signing poster disappeared,
the long table disappeared, various new-coming CDs on the
record shelf, but no one belongs to him. The band mates are
checking the new coming albums.

*
*
*

TIM

Look, my favorite singer! She's so
hot! When could we get a chance to
corporate with her?

...

NARCIS

(looks into the manager)

Where is our records? Where is
NARCISSUS IN THE MIRROR?

*

MANAGER

Your record? We're still waiting
for you to finish the last song. We
can get the first batch to you
within a week as long as your song
is ready.

*
*
*
*
*

NARCIS

But I've finish the song. It's here
just now in the album. And now,
it's gone? WTF?

*
*
*
*

Narcis is totally confused.

TIM

Hi, Narc! How about your last song?
Mia said you got a great break
through.

*

NARCIS

Am...I?

*

Leo comes out from the VIP room.

*

NARCIS (CONT'D)

Leo, you know I already finish it ,
and we just talked about taking it
as the finale of the last show
yesterday...
See I know there are disapprovals
on the last song. But if this
signing session is a warm up then
you have no reason to delete it
from my album.

*
*
*
*
*
*
*
*
*

LEO

I know, but you insist we can't
publish it until the last song is
done. Right?

*
*
*
*

LEO (CONT'D)

Oh, wait Narc, you're saying you've
finished the song?! Then we can
practice on the rehearsal this
afternoon! Wow! You're totally
amazing.

*
*
*
*
*

NARCIS

I've already finished it!

*
*

LEO

I know, I know! You're amazing!
Bring the music sheet, I'll add it
to the rehearsal list. You finished
it in one night?! You're genius!
...

TIM

(pats at Narcis)

Dude, I have to say, I admire your
talents.

NARCIS

Okay, alright. I'll show you the
sheets.

Narcis grabs Mia and back to the hotel.

NARCIS

(with a injecting gesture
to the arm)

Emm... You sure I didn't do ... IT
(drugs) ... last night?

MIA

You didn't. I swear.

NARCIS

But I have emm, kind of illusions.
I saw a nerd fan in the signing
session, asking me like what's your
opinion about quantum computing?

MIA

Yeah... I saw her too. But she
disappeared when I trying to
identify her to Leo.

CUT TO:

INT. HOTEL ROOM - NOON

The securities just gets off the room.

NARCIS

Then what about the quantum paper?

SECURITY

Sorry Mr. Narc. We have no clue about that. Maybe... It belongs to you, if not your band mates.

Narcis searching for his drafts.

NARCIS

Mia, do you have any idea where's my drafts? I thought they would be on the ground...

Mia comes into the bedroom.

MIA

(from the bathroom)

I remember I picked one from the ground, and...

Mia stares at the ground then turns to the desk. A pile of papers on the desk.

MIA (CONT'D)

Oh, here.

Mia takes a part of the paper, and looking thorough.

MIA (CONT'D)

Narc...Now I'm not sure if I was dreaming.

Narcis takes the papers from Mia. All of them are just notes about quantum mechanics and computer architecture.

On the upper left corner of one paper, writes.

PHILLIP

NARCIS

Fuck! Let's check the studio, I think I have a backup version.

They runs through the same hallway, same lobby but no one greeting to him anymore.

INT. ELEVATOR - 2:15 PM

The clock in the elevator says it's 2:15, the operator is missing, Narcis looks at the hints besides floor numbers, instead of STUDIO, THEATER, STORE, only CS lab, Phi lab, Chem lab there.

NARCIS

Mia, do you remember where is the studio? The floor numbers looks weird.

Mia looks at the numbers, frown.

MIA

Let's try 7.

INT. STUDIO - 2:20 PM

Narcis and Mia breaks into the studio. Modern, dedicate studio with guitar, drum, bass, keyboard and all fancy rock'n roll instruments. Narcis looks around for the music sheets.

NARCIS

I remember I put it on the keyboard.

He turns back to the keyboard, but the keyboard disappears.

MIA

Keyboard... Where is the keyboard?

NARCIS

I don't know... It's here just now...

MIA

Yes, I saw it here when we get in...

Then they turns to the corner of the drum, nothing there, the bass on the shelf also disappear, except the guitar Narcis carried with him. Mia looks at the clock.

What can I do for you sir?

NARCIS
The face recognition system failed to recognize me.

RECEPTIONIST
I'm sorry Mr. Could I know your name, please?

NARCIS
(staring at him,
confusing)
You don't know me?

RECEPTIONIST
Sorry, Mr. We got a large number of employees.

NARCIS
Narcis. Narcis Cobian.

The Receptionist checks on the computer for a while.

RECEPTIONIST

Sorry, Mr. We don't have any record
from you.

*
*

NARCIS

What!? What about Mia, Mia
Lawrence. And Leo, Leo Cork.

*

RECEPTIONIST

No. They don't belong to here,
either.

*
*

Narcis rushes out the door, he tries to call Leo, but his

CUT TO:

*

EXT. BUILDING EXIT - 4:00 PM

homeless, with kind of dead fish eyes.

*

NARCIS

Did you see my car?

The homeless laughs even harder.

*

LEO

*

Narc, where're you?! Come to the
central square, N.O.W.!

NARCIS

Leo? Oh, thanks god you called.
Listen strange thing just happened.
I was removed from the company
security system, I can't get into

Mia. We're both removed.

*
*
*
*

What are you talking about? The
show is going to start in half an
hour. Come to the central square

*
*
*
*
*

NARCIS

What? What show? You mean
rehearsal?

*
*

LEO

Come to the central square! Now!

Mia shows up inside a taxi.

MIA

Come on honey. We don't have time.

Narcis gets into the car. Behind the car the decent buildings are changing, into a narrow, old neighborhood. Narcis turns his head back, and notice everything is disappearing. Mia also notices that.

NARCIS

What's wrong?!

The car suddenly stopped. A middle aged woman running through the street without noticing the traffic light is turning into red. She looks tired. Nearly hit by the car, the woman drops her basket filled with meats and fresh vegetables. The driver accused her about running the red light. She picks up her food from the ground one by one crying

WOMAN

(looks to the ground, we
can't see her face)

Sorry, Mr. It's my son's graduation
day, I promise to make him a decent
meal. Sorry... Sorry...

Narcis is impatient.

NARCIS

I'll give her triple compensation.
Please hurry up Mr. I'm late for
the rehearsal.

Narcis gets off the car, finds 300 dollars from his pocket,
give to the driver.

NARCIS (CONT'D)

Give her, 300 dollars is enough.

The woman raise her head, when she look at Narcis, her
expression transfers from tragic to anger.

WOMAN

What are you doing here?

NARCIS

Mom?

WOMAN

You goes rock again? You go ...
Rock, again? I take two jobs...

Narcis jump from the co-pilot seat to pilot seat, steps on

him to say a single word but drags him and runs to the
backstage.

LEO

(pulls Narcis running)
What are you been doing the whole
afternoon? It's only 10 mins before
start!

NARCIS

(running)
10 min? The rehearsal begins at
eight. Now we got two hours what's
the hurry? But I have to told you
something.

NARCIS (CONT'D)

(eye full of nervous)
We must cancel whatever event,
things are disappearing. My guitar,
the mix...

MIA

Yes, like once we move our eyes
away from something, it will
suddenly disappear.

Leo looks at them like psycho couples.

LEO

Whatever you have, tell me after
the show, okay? We're all waiting
for you, my superstar!

*
*
*

Backstage, Tim and all his band mates are there.

INT.BACKSTAGE - DUSK

Narcis sits on a small bench looks at his band mates and Mia,
nervously. They're checking the instruments.

Long silence. Narcis staring at the band members. They all
seems too busy to care for Narcis.

NARCIS

Can we cancel the rehearsal?

All members are shocked.

TIM

What?! Cancel? You want to cancel a
show 5 minutes before it? Wow, it's
totally tomorrow's news headline.

*

NARCIS

The store, the studio, the company
building they all disappear! I
don't know what will disappearing

*
*
*

Narcis looks back to Mia.

*

MIA

We won't disappear. We're right

*
*
*

NARCIS

Wait... Where is Leo? He's just
following me.

*
*
*

TIM

*

Site runner comes and told them there're only 5min before the
show. Prepare getting on to the stage.

Tim and the band mats about to open the door and go up to
stage, while Narcis blocks and locks the door.

NARCIS

Could you just stay here, with me!
Within my sight! I don't want you
to disappear anymore!

*

TIM

We won't disappear man, we only got
5 minutes, what's the matter with
you?

NARCIS

Cancel it! Whatever event, cancel
it! It's just a rehearsal, what's
the big deal?

TIM

A rehearsal? Dude it's a real show!
And you told me to cancel? Hundreds
of people are waiting for you
outside, and you told me to cancel?
It's our first show. It's
important.

*
*
*
*
*

NARCIS

Real show? It should be the
rehearsal of our last show...

*

Tim pushes Narcis towards the stage before he could finish
his doubt.

*
*

Before goes upon the stage. Narcis holds Mia into his arm.

*

NARCIS (CONT'D)

more nervous, he larges his eye, keeps staring at his team
band and the backstage where Mia smiling at him.

Lights on. Shooting at Narcis. He facing to his team band.

TIM

(indicating him with
gesture)

What are you doing man? Face the
audience.

*

Narcis ignores him. And starts to singing. He looks on the ground. The music sheet suddenly changes to an unfamiliar song. But the band follows quite well to the new music sheet. Narcis had no choice but to follow.

With his talent skill, he plays some interesting parts with the new song. Like playing a game with the Schrödinger life.

Narcis turns back to the audience. Fortunately, they hasn't find anything wrong yet. When singing Narcissus in the Mirror, he pulls up a little mirror,

NARCIS
(singing && jumping &&
hard-core voice)
I'm the hero.
I'm the Narcissus in the mirror.

He looks at the mirror where he could see his bands. Tim is playing the drum crazily.

Narcis goes high with the music, he rock'n roll && jump ...

He shaking his head and closes his eye...

When he finishes the rock'n roll part and turns to a more gentle part, he opens his eye, and... the crazy audience disappears.

Along with the song turns to more gentle, Narcis turns back gradually eye full of tears, drum stops, base stops, last chord of keyboard pressed...

And his band, disappeared.

Narcis stands on the empty stage, lights goes pure white. Everything blurred into white.

CUT TO:

EXT. STAGE - 5:00 PM

*

Mia changed into a purple dress, gets her hair cuts to short. Smiling with her violin. She comes gradually onto the stage, tears fall down Narcis's face. He can't tell whether it's sad because his band all disappear, or lucky, because, at least Mia is still with him.

*

*

Mia starts to play the song they finished together. Narcis follows her with the guitar.

NARCIS

(gentle voice)

I'm the Narcissus in the mirror.
You're the Narcissus in the mirror.
When I see you,
You see me...

Narcis looks into Mia, and Mia looks into him, with crescent smile, she's just too beautiful.

The high pitch tail, Narcis's struggling to keeps his eye open.

Mia goes gently to him, smiling. *

NARCIS (CONT'D)

(without sound) *

Don't, don't. *

He struggles to keep his eyes open. *

MIA *

My heart is always with you. *

She kisses him on his lips, her lip is soft, warm, filled with the scent of dewdrops by dawn... Narcis can't help himself. His eyelid shaking, wants to holds his tear and keeps his eye open. The tears fell, blurs everything out. Narcis closes his eye.

EXT. CENTRAL SQUARE. - LATE NIGHT

Narcis stands in the center of the central square, hands on his guitar. Dim yellow light from the street lamp. His eyelid still shaking. Last leaf of the sycamore tree fell beside his feet. No audience, no stage, no fans, no band, no music at all and Mia is no where. Everything died in the autumn wind. *

A girl runs to him, and put a dollar into the guitar box besides him. *

A gypsy minstrel stands behind Narcis, LIM, puts down his violin, bows and saying thanks to the girl.

Narcis stands there transfixed like a sculpture. Sound of heart beats fills the air. Lim pats on his shoulder *

LIM

(faded out sound)

Hey, dude, say something to the
cute girl, she's facilitated by
you.

Narcis staring at him.

NARCIS

Who are you? Where is Mia? Why are
you here?

Heart beats even faster.

LIM

(voice faded out more)

Me? I'm your best friend!

Narcis shaking Lim hardly. The little girl is frightened and
runs away.

NARCIS

(can't really hear
himself)

My best friend? Then why you still
here? Everything, everyone
important to me is gone, why you
still here?

(shaking Lim by shoulder)

T.E.L.L. M.E... Tell me. WHERE is
MIA?

(tears fall down)

I shouldn't close my eyes...

NARCIS (CONT'D)

(shouting to the sky)

Give her back to me! She's my
world.

Lim plays several chords from the last song.

LIM

But dude, real music is from heart.
See, her heart is always with you.

Hands the guitar to Narcis.

LIM (CONT'D)

She's with us. She's watching us.

The street lamp turns off. Darkness fall. Cricket and

When I see you.
You see me...

On the right bottom corner of the page, with Mia's handwriting.
